GJHS Band Parents Meeting

GJHS Band Room

October 12, 2015

Secretary: Minutes from September 14, 2015 approved. Minutes will be posted on Facebook for all band parents.

President: Welcome and introductions.

Treasurer: Our current balance as of 10/12/15 is \$10,475.84

Committee updates:

Uniforms: Uniforms are clean and ready for State Qualifier and State completion. Ally has volunteers for both events.

Medic: We had one sprained ankle and one fainter during the parade at Colorado West. We are still missing permission slips/consent to treat. Ruth is in need of volunteers for all future events. Please contact Ruth if you are able to help.

Communications: Facebook numbers are up. Please continue to “like” and “share” events posted on Facebook.

50/50 Raffle: We will be contacting volunteers who signed up to help with the raffle. We usually sell the raffle tickets and football games and concerts.

Pit: We need at least 12 volunteers for State Qualifier and State. Please contact David or Ray if you are able to help.

Food: Thank you to everyone who donated side dishes/desserts for Colorado West, there was plenty of food for all students! Nita has requested \$2000 for food and snacks for State Qualifier and State Competition. We will supplying food for State on Friday for lunch and dinner and Saturday lunch.

Fundraising: Chick-fil-A brought in \$381.52 which was significantly lower than last year. We feel the band needed to be at the fundraiser throughout the event to help increase profits. We still need a committee chair for Swinging Sweets which will be held December 11, 2015. Carrie is looking into a fundraiser in which we would be selling oranges. More info will follow.

Other:

Hotels for State Competition: Guys will be staying at the Hampton Inn in Loveland and girls will be staying at the Fairfield Inn in Loveland. These hotels are in the same parking area. Hot breakfast will be provided by the hotels.

FYI...when the Band Parent Board reserves rooms for out of town events, it is for the band students and chaperones only. Parents are responsible for obtaining your own rooms.
