Letter from the Principal

Tiger Families,

Spring excitement has arrived, and we are preparing for those traditional spring events that begin to move students into the next phase of their educational career. While spring sports are just around the corner, we are still celebrating our winter sports athletes! We celebrated our Girls Swim Team, Wrestlers, Boys and Girls Basketball teams as February came to a close. The Swim Team placed a respectable 10th at the Colorado Swim and Dive State Championships. Two Tiger Wrestlers won state championships at the CHSAA State 5A Wrestling Championships. JT Skalecki and Hunter Tobiasson added their names to the legacy of excellence in Wrestling. Dawson Collins and Kieran Thompson placed third and fifth, respectively, in their weight divisions, as well. The team finished strong placing third in the 5A classification. Our Girls Basketball Team also proved to be fierce competitors in the 5A state playoffs, losing in the second round to Dakota Ridge in overtime. We are proud of all of our winter sports athletes and their accomplishments! Also, congratulations to Elijah McDaniel who placed in the Western Slope Regional Tournament and will be going to our CHSAA State Speech and Debate Tournament at Mountain Vista High School in Lincoln Douglas Debate. Congratulations to the GJHS History Bowl and Bee Team for placing third at the state competition. Addison Chambers won 2nd place in JV History Bee Qualifying him for Nationals. Anthony Booth,

The Dean's Desk

Tiger Parents and Guardians:

Now that we have finished the third quarter, it is easy for students to lose sight of class work and let spring fever overcome them. Please help your student stay focused by holding them accountable for school work. Setting aside a specific study time and place is useful for most students and can help them accomplish the things they need to be successful in school.

Thank you,
Tom LeFebre—Dean of Students

Letter from the Principal (continued)

James Rasmussen, and David Barron also qualified for the National Tournament in Washington, D.C. in April.

We welcomed incoming freshman and their families at our annual Freshman Family Night. This event allows students and families to ask questions specific to their academic needs, as well as learn about the amazing programs we offer at GJHS. Tiger Tours, which highlights the activities, clubs, and athletics of GJHS, will take place on April 27th, and will give students the opportunity to see the excitement of high school in anticipation of next year.

We are also planning graduation events for our seniors. There will be a senior class meeting during advisory on April 2nd from 12:50 – 1:15 p.m. This meeting will outline essential details for seniors, as well as providing them the opportunity to vote for educators who have made a difference in their high school experience. Parents are welcome to attend this meeting, which will communicate many important requirements, dates, and event details. Please encourage your senior to attend!

Lastly, we would like to invite you to our School Advisory Council, which will meet on March 6th at 6:30 p.m. in the Library. We value your input and hope you will join us in looking at what the D51 Learning Model means for your student.

Go Tigers!

State Testing Information

Attention TIGER Families: Important state testing coming April 9 and 10.

The State of Colorado requires annual testing of freshmen, sophomores, and juniors. Test dates this year are April 9 and 10. All tests are free of charge. Freshmen and Sophomores will take the PSAT 9 and PSAT 10 respectively. The PSAT 9 and 10 give students valuable practice before taking the SAT their 11th grade year. These tests give the school, the district, the state, and families valuable information about each student's areas of academic strengths and about the academic areas we need to work on with them in their next years in high school. Juniors take two tests-- the SAT and the CMAS Science Test. The results are used by colleges and other post-secondary educational institutions as part of their admission process. It is important that all 9th, 10th, and 11th grade students take these tests.

Please remember that students must meet English and math proficiencies as part of the D51 Performance Based Policy. An explanation of this graduation policy can be found at https://www.mesa.k12.co.us/board/policies/documents//IKF(2).pdf on pages 3-5. Please feel free to call your student's counselor or an administrator for further explanation.

Please mark your calendars for these April test dates. Please keep these days free of appointments so that your student can take the tests at the regular-scheduled testing time. If students do not take the tests on the regular test days, they will be pulled out of classes later to make the tests up and will miss instruction.

April 9

Freshmen: PSAT 9

Juniors: SAT

April 10

Sophomores: PSAT 10

Juniors: CMAS Science

More detailed information will be forthcoming. Thank you for supporting this important process.

End of Year Cafeteria Accounts for Seniors

Parents/Guardians of the Class of 2019: If your student will be graduating this year and does not eat lunch at school, perhaps this is the best time to check on his/her lunch account. If the student owes money, it can be paid up at any time before graduation. If this student has excess money on his/her account, we have several options to consider:

- If you have another student attending school within the District, the money can be transferred into that account. Contact the GJHS Culinary Manager.
- If you would like a refund, contact the GJHS Culinary Manager. Any amount over $10 must be paid with a District check payable to the parent/guardian.
- If you would like to donate the money to the Class of 2019, we will apply it to any account that a student might need extra help paying off. Contact the GJHS Culinary Manager.

Thank you,

Nancy Lauridsen, GJHS Culinary Manager, Tel: (970) 254-9900, ext. 24280

Notice: School of Choice – 2019

Although the Board of Education has endorsed a neighborhood school concept based upon structured attendance areas, it recognizes and has determined that students should be given the option to attend a school or participate in a school program located in an area other than that of their assigned school. In conformity with Board policy JCA/JFBB and regulation JCA/JFBB-R, parents/guardians of students may apply for School of Choice or a Transfer Request, as outlined in JCA/JFBB-R.

> While students residing within a designated attendance area shall have priority, such applications, if timely, made in accordance with the policy and regulation, shall be granted if space is available in both the requested school and the requested school program. Priority among applicants will be determined by the date of the application on a space available, first come, first served basis.

Procedures for applying for the School of Choice Option are as follows:

The School of Choice Application will be available starting at 10:00 a.m. on March 4, 2019, and will be accepted until 4:00 p.m. on March 15, 2019. The application is available in electronic form **only** and is available at the District's web site at www.d51schools.org/schoolofchoice

1. Applications will be done through ParentVue. If you do not have a ParentVue account please create one prior to March 4, 2019. If you have questions, please contact your school.

2. Complete the application and submit. Applications will be marked with the date and time upon submission of the electronic form.

3. All students wanting to attend an out of area school for the 2019-2020 school year must submit a School of Choice application **unless the student is continuing in the same school in which a School of Choice was granted last year and space is still available**.

4. **If you do not have access to the internet,** please go to the Grand River Academy at 600 North 14th. (East Modular behind main building) from 7:30 AM – 4:00 PM, Monday through Friday or your child's school office.

New Emerson Elementary, Dual Immersion Academy, Independence Academy, Juniper Ridge and R-5 High School will not be available as options for School of Choice as enrollment in these schools are by a separate application process only. The Challenge Program at East Middle School and the International Baccalaureate Program at Palisade are not options of School of Choice as these programs are available through a separate application process.

PLEASE NOTE: Transportation will NOT be provided for students who live out of the attendance area and attend school under School of Choice.

Once the applications are received, prioritized waiting lists will be established for each school. The criteria for placement in your school of choice are space availability and date of application. Each school in the district has established a capacity for the total school, for each grade level, and for programs in the school. Consequently, a school may have space available at one grade, but may not at another, or there may be space available in one program but not another at any given school. There must be space available in both a grade level and/or a program in the school to accept an applicant.

After the March 15, 2019, deadline, the building principal will notify the parent/guardian on or before April 5, 2019, of their application status (acceptance or denial). If the parent/guardian receives notice of acceptance, they must sign and return the letter of commitment no later than April 30, 2019, to be accepted into the receiving school.

If you have questions regarding School of Choice or which school your child should attend please call the Office of Resolution and Support **(970) 254-5323.**

Aviso: Escuela de Selección - 2019

Aunque la Mesa Directiva apoya el concepto de la escuela del vecindario, basándose en zonas de asistencia estructuradas, reconoce y ha determinado que los estudiantes deberán tener la opción de asistir a una escuela o tener la opción de participar en un programa escolar que se encuentra en una zona distinta a la de su escuela asignada. En conformidad con la póliza JCA/JFBB y la regulación JCA/JFBB-R, de la Mesa Directiva, los padres tutores de los estudiantes pueden solicitar para la escuela de selección o para una transferencia como se indica en la póliza JCA/JFBB-R.

> Mientras que los estudiantes que residen en una zona de asistencia asignada tienen prioridad, dichas solicitudes se deben procesar si están a tiempo y se han hecho en conformidad con la póliza y regulaciones, y serán aprobadas si hay un espacio disponible tanto en la escuela y el programa que se solicita. El orden entre las solicitudes será determinado por la fecha de recepción de la solicitud, por el espacio disponible y según la regla de que el primero en llegar tendrá la prioridad.

Los procedimientos para solicitar a la Escuela de Selección son los siguientes:

El formulario para solicitar la Escuela de Selección, estará disponible el 4 de marzo del 2019 a partir de las 10:00 a.m. y será aceptado hasta el 15 de marzo del 2019 a las 4:00 p.m. La solicitud está disponible **solamente** en formato electrónico y se encuentra en la página de Internet del distrito www.d51schools.org/schoolofchoice

1. Las solicitudes se realizarán a través de ParentVue. Si no tiene una cuenta de ParentVue debe crear una antes del 4 de marzo del 2019. Si tiene alguna pregunta, por favor, comuníquese con la escuela de su hijo/a.

2. Complete la solicitud y envíela. Se pondrá fecha y hora en las solicitudes al momento de la recepción del formulario electrónico.

3. Todos los estudiantes que desean asistir a una escuela fuera de la zona para el año escolar 2019-2020 deben presentar una solicitud para la escuela de selección, a **menos que el estudiante continúe asistiendo a la misma escuela de selección que fue aceptado el año anterior y todavía tiene un espacio disponible.**

4. **Si usted no tiene acceso a Internet,** por favor vaya al Grand River Academy, 600 N. 14th. de 7:30 AM – 4:00 PM, de lunes a viernes o a la oficina de la escuela de su niño/a.

La Escuela Primaria New Emerson, la escuela DIA (Dual Immersion Academy), Independence Academy, Juniper Ridge y la Escuela Preparatoria R-5 no están disponibles como opciones para la escuela de selección, ya que la matrícula en estas escuelas se hacen solamente en un proceso de solicitud por separado. El Programa Desafío en la Escuela Secundaria East y el Programa de Bachillerato Internacional en la Escuela Preparatoria Palisade no están disponibles como opciones para la escuela de selección, ya que estos programas están disponibles a través de un proceso de solicitud por separado.

POR FAVOR, NOTE: El transporte NO se proporcionará a los estudiantes que viven fuera del área asignada y asisten a la escuela bajo la opción de las Escuelas de Selección.

Cuando se reciban las solicitudes se establecerá la lista de espera para cada escuela. Los criterios para la colocación en su escuela de selección son el espacio disponible y el orden de recepción de la solicitud. Cada escuela en el distrito ha establecido una capacidad para toda la escuela, para cada nivel de grado y para los programas en la escuela. Por consiguiente, una escuela puede tener espacio en un grado, pero no en el otro, o puede tener espacio disponible en un programa pero no en otro en cualquier escuela determinada. Para aceptar a un solicitante, debe haber un espacio disponible tanto en el nivel de grado y/o un programa de la escuela.

Después de la fecha límite del 15 de marzo del 2019, el director del edificio informará al padre/tutor el o antes del 5 de abril del 2019 sobre el estatus de la solicitud (aceptación o denegación). Si el padre/tutor recibe una notificación de aceptación, él debe firmar y devolver una carta de compromiso a más tardar el 30 de abril del 2019 para ser aceptado en la escuela receptora.

Si tiene preguntas sobre las Escuelas de Selección o sobre a qué escuela debe asistir su niño/a, por favor comuníquese con la Oficina de Apoyo **(970) 254-5323.**
